On Tap News

Spring Brew-Off 2007

The Spring Brew-Off will be Saturday, May 26 at 9AM at Alltech. Bring your equipment and be ready to brew or just come hang out and learn something. Although there is a competition component to the brew off this year, you do not have to compete to come and brew. For contestants, Alltech will judge your beer based on the BJCP Guidelines. The winner will have their recipe brewed by Alltech and that beer will be sent to the GABF in Colorado (along with you). This beer will also be put on tap somewhere around town (most likely on tap at Pazzo's).

If you choose to brew and be part of the competition, here are the rules:

1. Contestants must be a member of the AHA.
2. Yeast must be an Ale strain, easily available from Wyeast or White Labs
3. No fruit in the beer.
4. Don't use flavorings or flavor syrups.
5. Avoid spices as much as possible.
6. Avoid rye.
7. Recipe is very highly recommended to be all-grain.
8. Recipes should stick to a mainstream/standard style in the BJCP.

I need to know who is competing ASAP. Any questions, ask me. -CV

Competitions

See the calendar for upcoming competitions with known dates. We need to get much better participation this year at Beer & Sweat and the State Fair. Last year, participation was down in both. Get brewing and enter those beers into competitions! BOCK pays for your entry fees on your first beer!
